STATEMENT OF ACCOUNTING POLICIES

ACCOUNTING POLICIES

The following is the summary of the significant accounting policies adopted in the preparation of the Accounts.

BASIS OF ACCOUNTING

The accounts have been prepared under the historical cost convention.

DEPRECIATION

Depreciation of assets was on straight line basis, at the following rates:

- Land & Building: 1%
- Furniture & Fittings: 10%
- Plant, Machinery & Equipment: 10%

INCOME

These represent grants received from Sponsors, Donations, and proceed from other Services.
We have examined the Financial Statement set out on pages 6 to 12 which should be read in conjunction with the notes on pages 10 to 11 and have obtained all the information and explanations which we considered necessary for the purpose of our audit.

**BASIS OF OPINION:** We conducted our audit in accordance with Generally Accepted Auditing Standards. An audit includes examination, on test basis of evidence relevant to the amounts and disclosures in the Financial Statements. It also include the assessment of the significant estimate and judgment made by the Organization in the preparation of the Financial Statements, and of whether the accounting policies are appropriate to the Organization circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary to provide us with sufficient evidence to give a reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud, other irregularity or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the Financial Statements.

**OPINION:** In our opinion, the Accounts which have been prepared under the historical cost convention give a true and fair view of the state of affairs of the Organization as at 31st December, 2012 and of its operating cash flow for the year on that date.
